Dear Josh:

I have been nominated for promotion to full professor in the Department of Medical Informatics at the University of Utah. I would appreciate it if you could write a letter of recommendation for me and send it to Dr. Homer Warner, Chairman, Department of Medical Informatics, AB193, University of Utah Medical Center, Salt Lake City, Utah, 84132. I'm sending a current version of my Curriculum Vitae and a selection of my manuscripts under separate cover.

Thank you for your consideration.

Sincerely yours,

*Mark*
